

DO BUSINESS WITH PRINCE OF PEACE PARISHIONERS!

As members of a parish, we are a group of people who rely on one another for spiritual support; we spend time together worshipping; we gather together to support the numerous ministries and programs at Prince of Peace. Many of us (and our children) have friendships that have either originated or become stronger because of this Church.

It only makes sense that we would support each other's businesses if the opportunity arose.

As our economic downturn persists and businesses struggle to find and keep clients, it is reassuring to know that we can help support our local community by investing with reputable companies run by people within our own parish.

We encourage you to participate in our NEW Parish Business Directory. Simply complete the other side of this sheet and place it in the *Business Directory Box* in the Parish Hall, and we will create a booklet which will be distributed to parishioners here at Prince of Peace, as well as on our Parish website.

It's a quick and easy way to introduce your company or organization to the many wonderful families in our diverse Parish Community.

Help us build a stronger Parish Community.

Do business with a Prince of Peace Parishioner!

Thank You!
